

once again depressed about how hard it is to do any crafting around my small children!!!!!!!

groundbreaking: woman has published a blog post

THE DEVIL'S DICTIONARY

Reason, v.i. To weigh probabilities in the scales of desire.

Ambrose Bierce, 1911

> *"whichever way she looked she saw only a future of servitude to the whims of others, never the possibility of asserting her own eager individuality."*
>
> *Edith Wharton, The House of Mirth (1905)*

you are one year old. you are upset because you shoved way too much banana in your mouth and don't know what to do

♥ 211

me: I miss my hobbies

some random guy: BECAUSE YOU WANT TO BETRAY YOUR HUSBAND?

♥ 177

Something on my mind lately: opportunity cost. When you can build ANYTHING, the implicit cost of any given thing is very high
